Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin #200

January 2007 Change Cycle

The following is a list of changes which were added to the CMS Net System for the January Change Cycle:

CMS Net Web (SAR):

View All SARs : A new button has been added to allow a user to view ALL of the SARs for a specific client after the client is selected from the search screen.

New message on Inpatient SAR: The following message will be displayed at the bottom of the page for all Inpatient SARs: "This authorization can ONLY be used to bill for hospital days. All physician services require a separate SAR."

Free Text on SAR: When a SAR is cancelled, the free text entered on the letter will now display on the narrative.

CMS Net Legacy:

School Table: Updated the school table.

Monthly Caseload Count Report: The fiscal year prompt will now default to the current fiscal year.

Filtering HF Carbon Copies: Other Health Coverage carriers will no longer display on the Healthy Families pick list when the user chooses to carbon copy Healthy Families.

Automatic Narrative: Corrected a problem where the financial automatic narrative subject line was displaying when the user chose to create a narrative for residential.
